

Introducing **Project “H.U.G.S.”**

Healthcare Uniforms Giving Smiles

 *MATES Uniforms is proud to accept gently worn medical uniforms which we will forward to hospitals and clinics in countries of need.*

Canadian Food For Children will be packaging and distributing the items for us.

If you have uniforms that are taking up space in your closet, please bring them in as they will make a huge difference to healthcare workers with little or no income.

THANK YOU!
